

LES SOURCES DE CAUDALIE
BORDEAUX

Welcome

The details and service of a Palace combine with a warm, family atmosphere. Les Sources de Caudalie, set among the prestigious vineyards of Château Smith Haut Lafitte, Grand Cru Classé de Graves, first opened in 1999.

This modern and attractive complex is designed to achieve total harmony with its immediate environment as it is surrounded by vineyards and forests on the outskirts of Bordeaux.

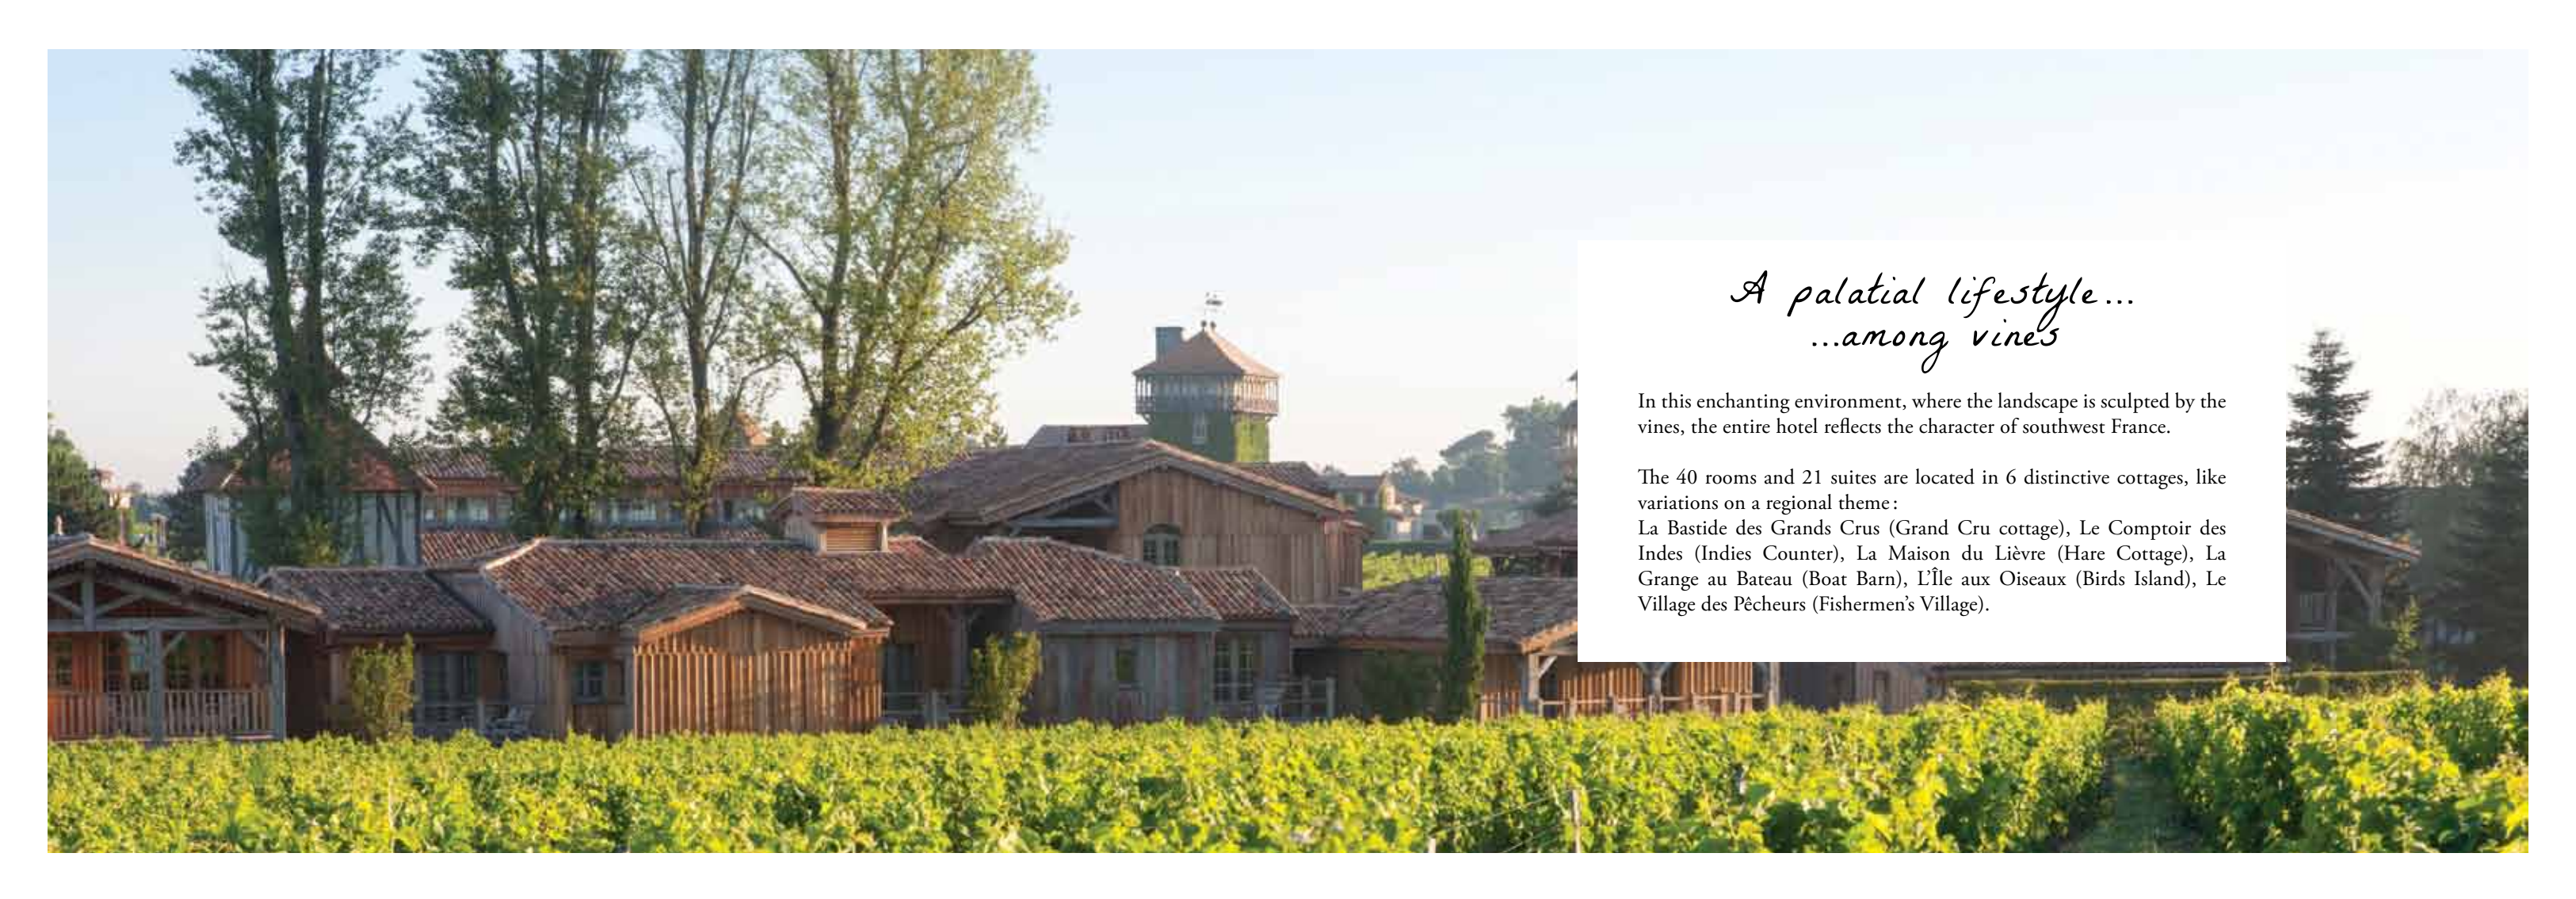

The contemporary atmosphere, accented with recycled structures and materials, enhances the hotel's wine-country lifestyle.

Welcome to a place focused on nature, good taste, and pleasure of the five senses.

Welcome to a 5-star environment.

Alice & Jérôme Tourbier

*A palatial lifestyle...
...among vines*

In this enchanting environment, where the landscape is sculpted by the vines, the entire hotel reflects the character of southwest France.

The 40 rooms and 21 suites are located in 6 distinctive cottages, like variations on a regional theme:

La Bastide des Grands Crus (Grand Cru cottage), Le Comptoir des Indes (Indies Counter), La Maison du Lièvre (Hare Cottage), La Grange au Bateau (Boat Barn), L'Île aux Oiseaux (Birds Island), Le Village des Pêcheurs (Fishermen's Village).

Luxury, calm and serenity
A perfect balance between uncommon character
and timeless charm.

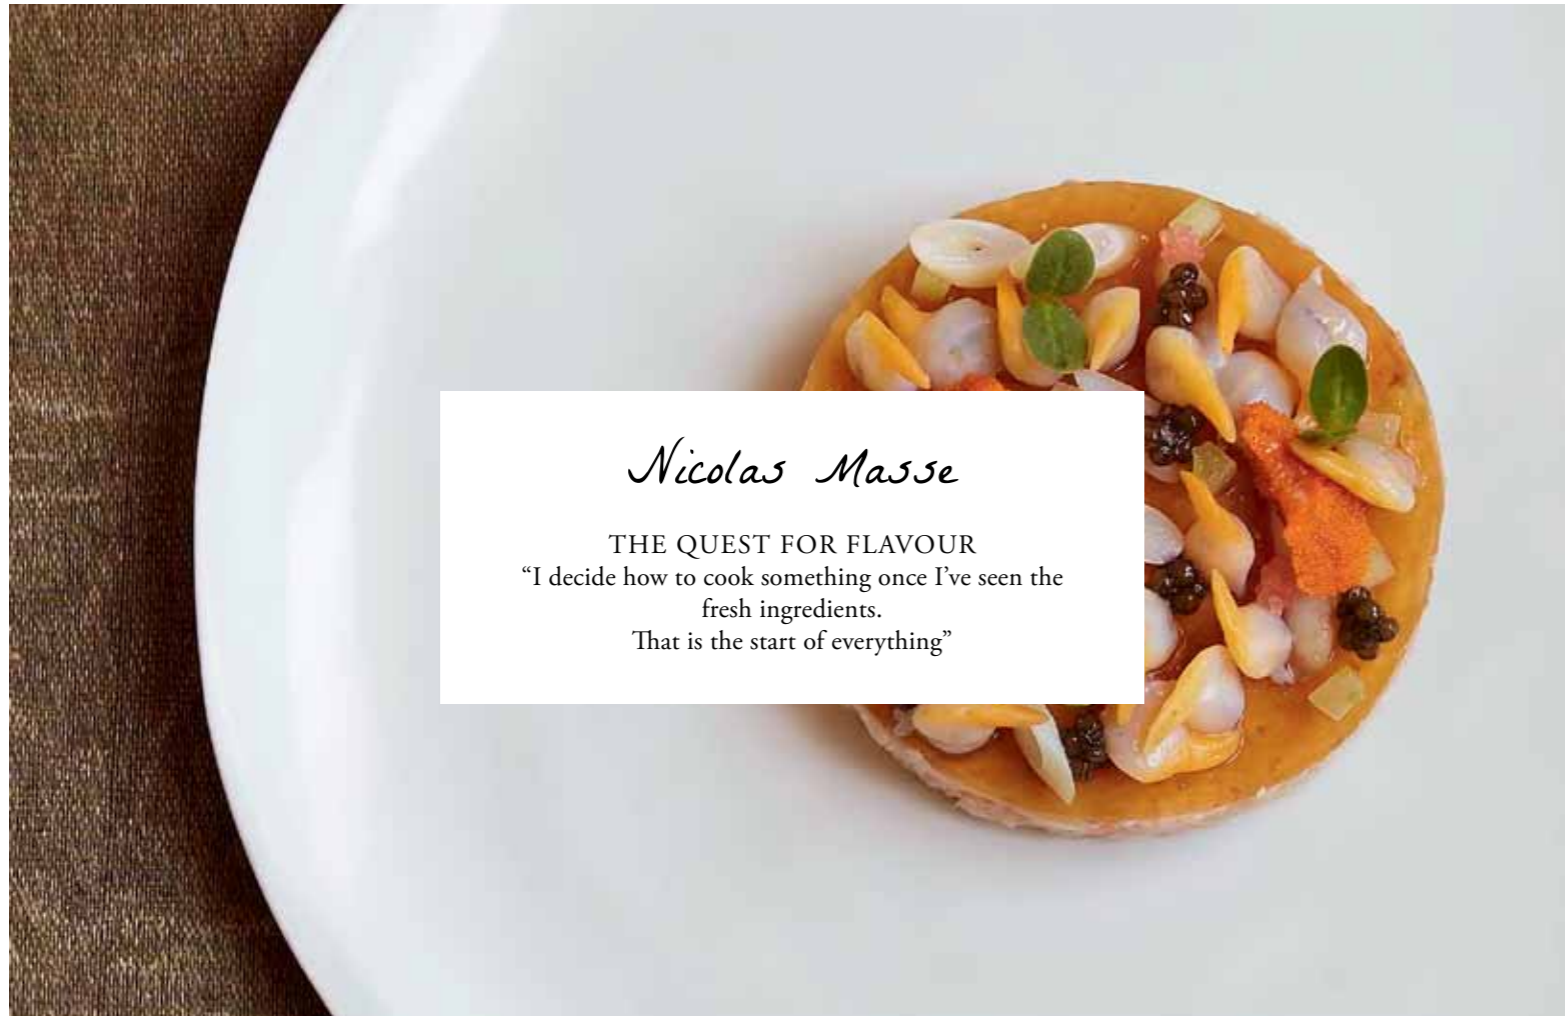

*A charming and
authentic appeal*

Bric-a-brac, antiques and design pieces give each room a family ambiance.

Refinement
in every detail

THE QUEST FOR FLAVOUR

“I decide how to cook something once I’ve seen the
fresh ingredients.
That is the start of everything”

Nicolas Masse

La Grand Vigne

TWO MICHELIN STARS

Nicolas Masse introduces you to the secrets of his cuisine, a blend of exciting flavours, balance, and creativity. La Grand Vigne restaurant draws its inspiration from 18th-century glasshouses and invites you on a journey of the taste buds, from the ocean to the vine, in harmony with the changing seasons.

La Table du Lavoir

THE COUNTRY-INN

La Table du Lavoir, with its 18th-century roof timbers salvaged from Médoc wineries, opens its glass doors in warm weather to reveal a sheltered terrace. The menu offers delicious “bistro” cuisine, re-invented in homage to the flavours of the Aquitaine region.

Rouge

WINE BAR AND FANCY FOOD SHOP
At the counter or in comfortable armchairs, taste the best products of the South-West « terroir » and discover a wide Bordeaux wine selection. A warm and relaxed place.

A world of aromas

The cosy atmosphere of the French Paradox bar and the Tour de la Dégustation (Tasting Tower) invites guests to discover the superb wines of one of the world's finest vineyard regions.

Le jardin des abeilles

The chef, who wants to offer guests the best that nature can give, has planted a vegetable garden and set up a henhouse and bee hives close to our restaurants. There are just a few steps from harvest to plate, for dishes boasting unrivalled quality and freshness.

Vinothérapie Spa

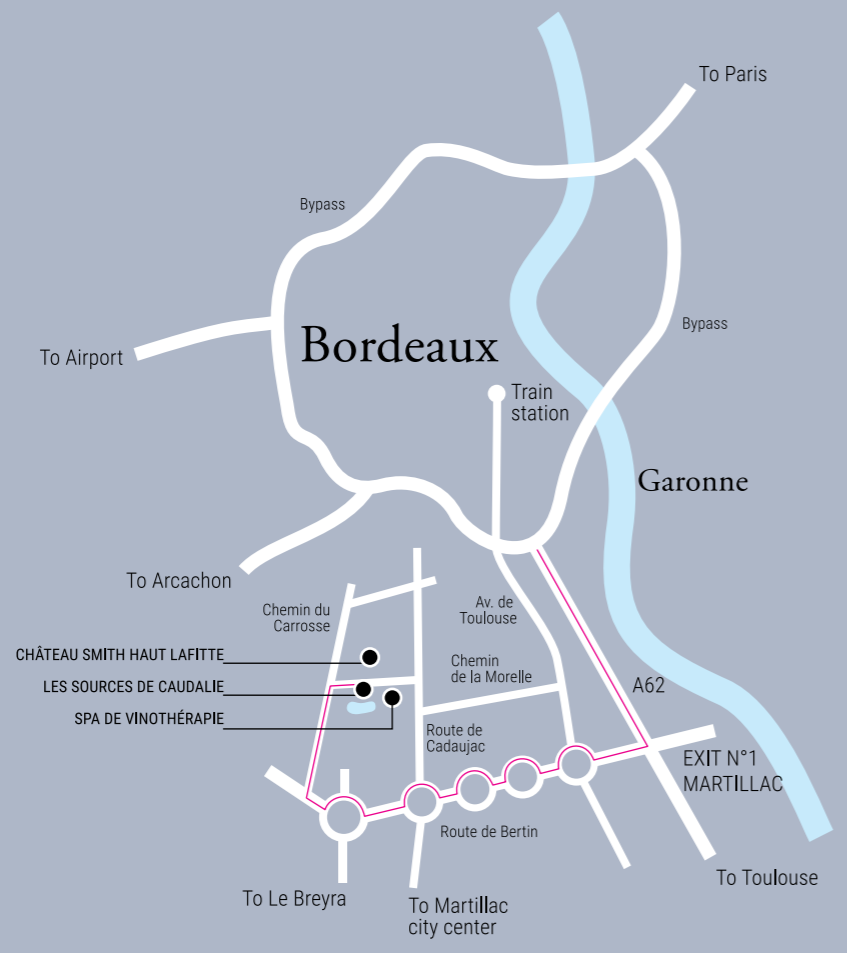

The Caudalie Vinotherapie Spa is based on a pioneering concept created a decade ago, combining the benefits of naturally warm spring water (from a well over 540 metres deep) with those of vines and grapes.

The refined atmosphere of the booths, the elegant blend of noble materials such as wood and stone, and an architecture reminiscent of traditional tobacco-drying barns, combine to create a perfect harmony with the surrounding vineyard landscape, giving the relaxation and treatment areas a special cachet.
